

HeartRecovery.com on-demand course quick start guide

Visit heartrecovery.com/en-us/courses

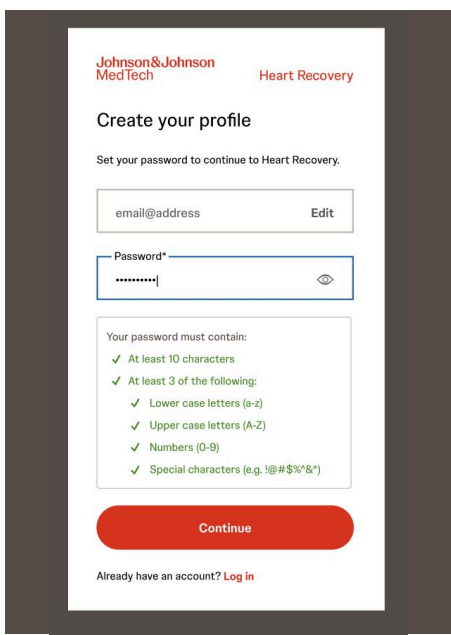

New user to HeartRecovery.com

Select **“Sign up”** on the course page or in the upper right navigation bar.

Enter your email address and press **“Continue.”**

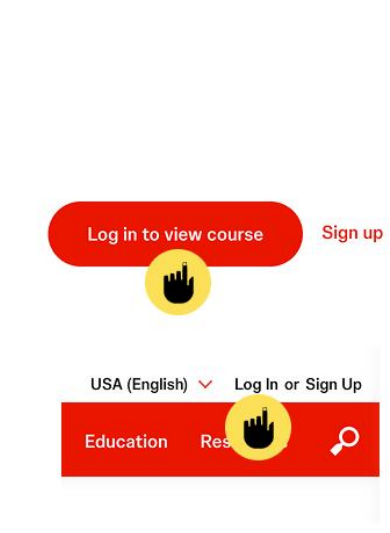

Enter a password that meets all the requirements and press **“Continue.”**

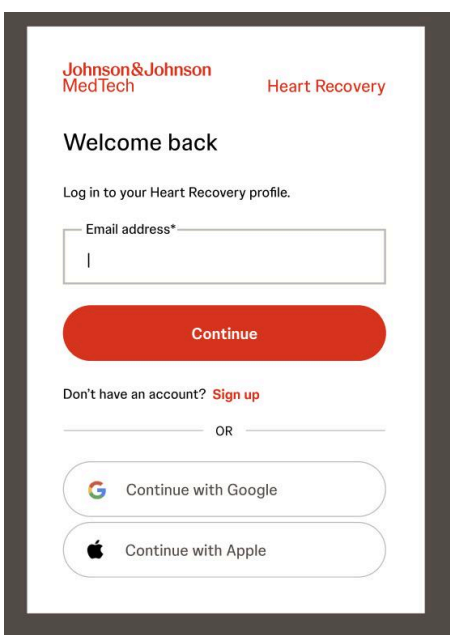

Complete the self-registration form to access HeartRecovery.com.

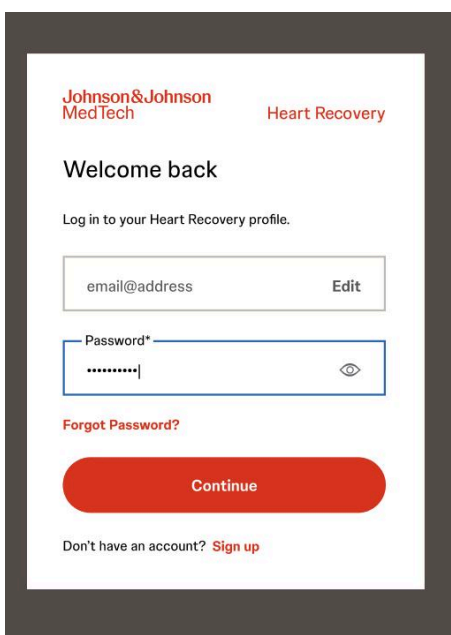

Returning user to HeartRecovery.com

Select **“Log in”** on the course page or in the upper right navigation bar.

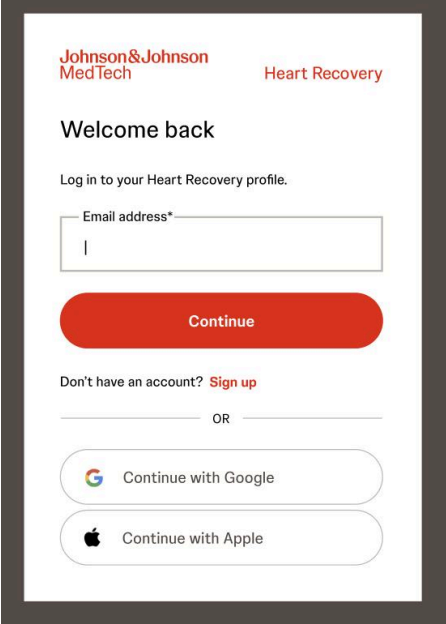

Enter your email address and press **“Continue.”**

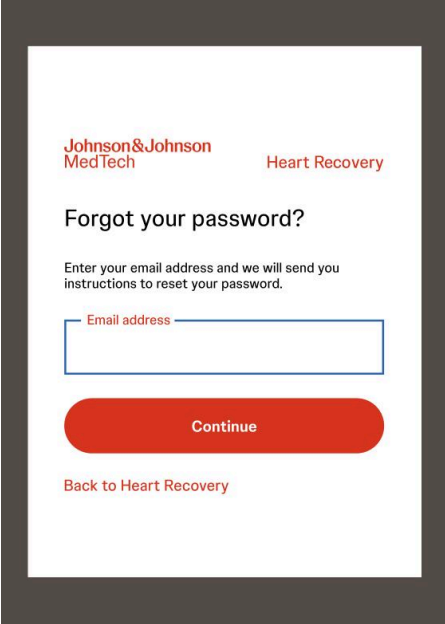

Enter your password and press **“Continue.”**

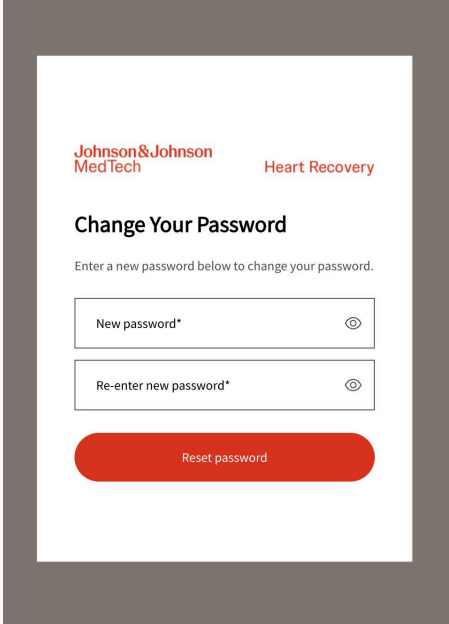

Reset password

Select “**Forgot Password?**” link to reset your password.

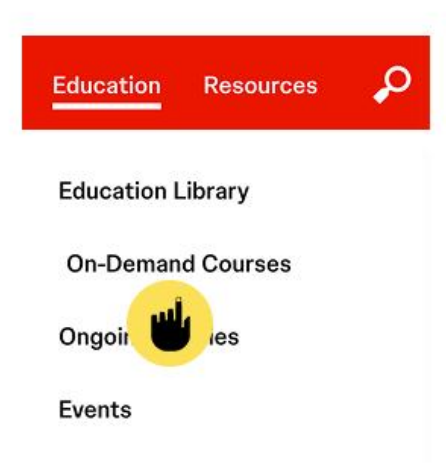

Enter your email address. Please check your email address for instructions to reset your password.

Create a new password for current and future access. Select “**Reset password**” to log in.

Navigate to on-demand courses

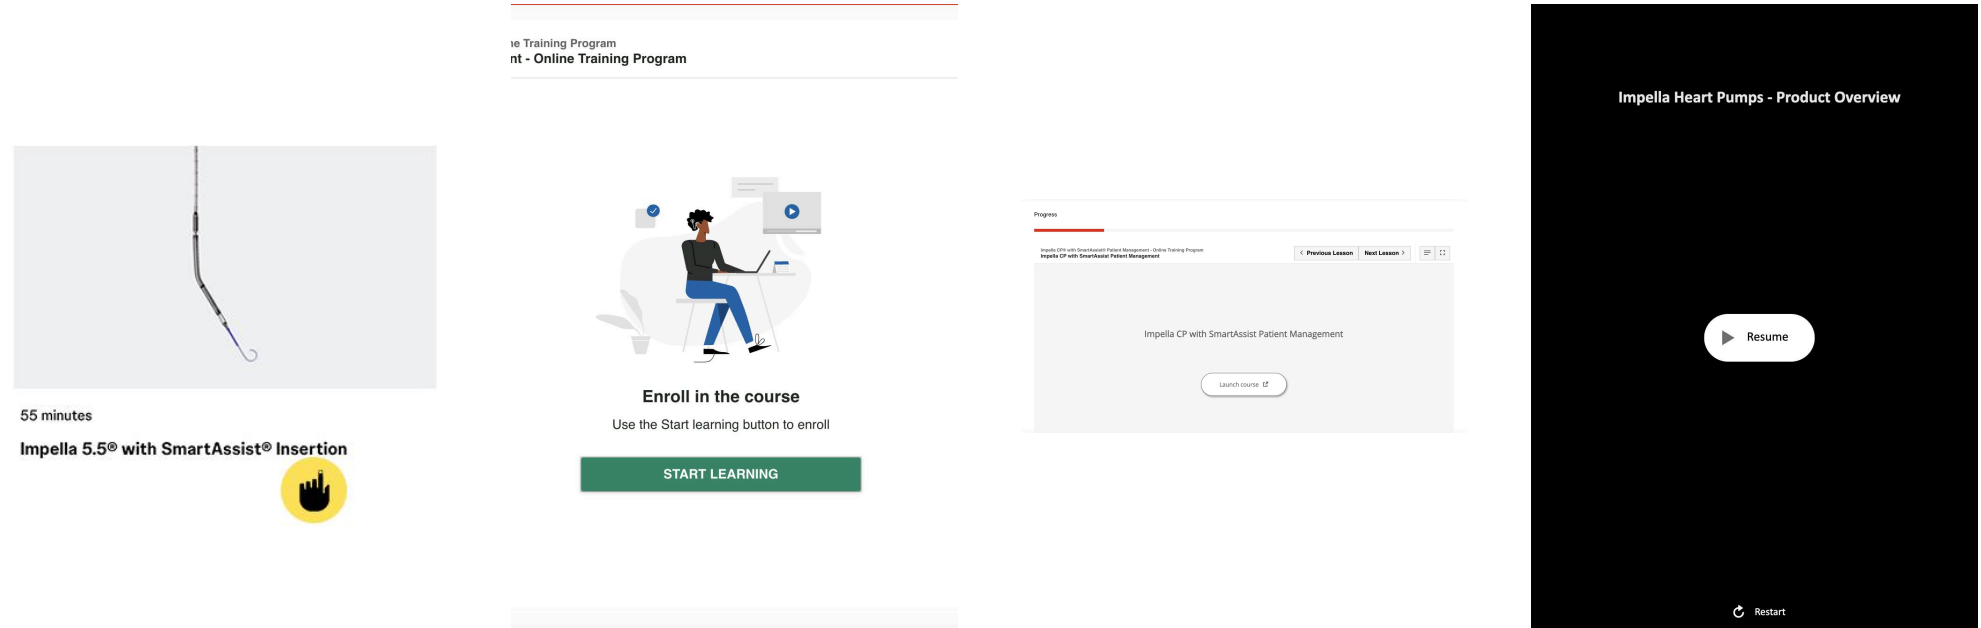

Hover over “**Education**” in the main menu and select “**On-demand courses.**”

Explore the library to find the course you want to view.

Start and complete an on-demand course

Select the title of the on-demand course.

Ensure you are logged into your HeartRecovery.com user profile.

Select **“Start learning”**

Some lessons may open in a separate window. To return to the course page, simply close the window.

If a course has multiple lessons, click **“Previous”** or **“Next Lesson”** on the tool bar to navigate around the course.

You may complete the course at your own pace. Select **“Resume”** to start the course from where you previously left off.

Take a quiz

Certain courses require you pass a final quiz to access your certificate. Before you begin, note the number of attempts and passing score of the quiz. When you are ready to proceed, click **“Start Test.”**

Answer each before submitting your test.

Things to note:

1. You may need to scroll to view all questions.
2. The full screen icon in the top right corner lets you expand the test to full screen mode.
3. Make sure to exit full screen mode to return to the course details page.

When you have answered all questions, click **“Submit Test.”**
